

Details and Requirements for Petitioning to Add a Candidate Name to the PTWA Ballot After the Ballot Closes on August 1

The PTWA ballot closed on August 1. PTWA members may petition to add names to the ballot by submitting a petition signed by 10 current PTWA members to the PTWA executive director by September 1. A separate petition shall be required for each such nomination.

Each petition must be accompanied by the written consent of the person being nominated. The nominee must be a current member of PTWA and must meet all criteria for the position for which they have been nominated. Eligibility criteria may be found in the PTWA bylaws. Those submitting nominations must also be current PTWA members.

This option to petition to add names to the ballot provides an additional opportunity for PTWA members to have a voice when electing chapter leaders.
